

How to Use School of Ministry Curriculum

The ***School of Ministry Curriculum*** can be utilized in a variety of ways within the context of the local church. It can be a resource for training on various levels including personal growth, internship programs, Bible Schools, leadership training, youth ministry, adult education, church planting and small group ministry. In addition it can be used for assignments within the counseling process, for equipping business leaders, for resources to missionaries, for personal study, topical study and sermon preparation.

The following are some recommended courses for specific uses:

For personal growth, topical study and sermon preparation

The ***Topical Index*** assists in finding where various topics are covered within the entire curriculum of School of Ministry. Refer to the ***Topical Index*** tab under ***Courses*** for this free document.
